FABRICS are from the Farmers Market collection by Deborah Edwards for Northcott (northcott.com).
Project: Fall Appliqué Band

Materials

FOR ONE PILLOWCASE
- ½ yard total assorted prints in fall colors (appliqués)
- ½ yard band print
- ½ yard main print (pillowcase body)
- Lightweight fusible web

Finished pillowcase: 30×20” (fits a standard-size pillow)

Yardages and cutting instructions are based on 42” of usable fabric width.

Measurements include ⅛” seam allowances for piecing blocks and pillowcase construction. Sew with right sides together unless otherwise stated.

Cut Fabrics

Appliqué shapes were cut with the AccuQuilt GO! Fall Medley die (#55041). If you wish to use scissors instead, the patterns are on pages 4–6.

To cut out appliqués with an AccuQuilt fabric cutter, complete the following steps.

1. Place fusible web, paper side up, on the wrong side of appliqués. Press according to manufacturer’s instructions; let cool.

2. Following manufacturer’s instructions, use fabric cutting die to cut out designated numbers of pattern pieces from prepared fabrics. Peel off paper backings.

To cut out appliqués with scissors, complete the following steps.

1. Lay fusible web, paper side up, over patterns. Use a pencil to trace each pattern the number of times indicated in cutting instructions, leaving ⅛” between tracings. Cut out each fusible-web shape roughly ⅛” outside traced lines.

Assembly Diagram

Referring to Assembly Diagram for pattern arrangement, center a set of appliqués in one band half. The set should be approximately 4” from both the end and the center (Appliqué Placement Diagram). Repeat with second set of appliqués on other band half. Fuse in place following manufacturer’s instructions.

3. Using contrasting thread and working from bottom layers to top, machine-blanket-stitch appliqués in place to make appliquéd band.

Assemble Band

Use a ⅛” seam allowance for the following steps.

1. Referring to Band Assembly Diagram, sew together appliquéd band and remaining band print 6½x40⅛” strip.

2. Join short edges of Step 1 unit to make a loop. Fold loop in half with wrong side inside; press to make pillowcase band.

Assemble Pillowcase

Use a ⅛” seam allowance for the following steps.

1. Fold main print 25x41” rectangle in half to form a 25x20½” rectangle. Sew together set of long edges and one set of short edges to make pillowcase body. Turn right side out; press flat.

2. Matching raw edges and seams, slide pillowcase band over pillowcase body with appliqué side of band facing right side of pillowcase body (Diagram 1); pin. Sew together band and pillowcase body.

3. Press pillowcase band open, pressing seam allowances toward pillowcase body. Topstitch ⅛” from band edge to secure seam allowance and complete pillowcase (Diagram 2).
