HOW YOU'RE MAKING A DIFFERENCE

For a special Veteran's Day project, teacher Justina Wright and her preschool class in Waverly, Tennessee, learned about the military and made 18 pillowcases for veterans. The kids chose their fabric pieces and helped run the serger by stepping on the foot pedal while Justina serged. The students had a blast sewing and felt great when they realized their pillowcases would be helping people who have served their country.

2020 SPONSORS

Dear Quilt Shop Owner,

American Patchwork & Quilting® is thrilled that your shop is participating in the 1 Million Pillowcase Challenge. If you are new to the challenge, welcome! If you have participated before, welcome back and thank you for your support!

We are so excited to continue the 1 Million Pillowcase Challenge through 2020. Help us reach our goal of 1,000,000 pillowcases in 2020! We need your help to cross the finish line!

A handmade pillowcase seems like a simple thing, but it can mean the world to someone in need. A pillowcase can ease the fears of a sick child while in the hospital, provide comfort to a teen as they move to a new foster home or give hope to a family who recently lost everything in a tornado, flood or fire.

Retailer marketing tools are available to make your participation in the challenge a success:

- Ideas for hosting a successful event in your store to promote making pillowcases for local charities
- A press release and media pitch letter to build excitement and gain valuable press for your shop and event
- FREE patterns for pillowcases you can download and print to share with your customers
- FAQs, a list of suggested charities, featured fabrics, how-to videos and more!

SAVE THE DATE! Participate in the Fall Pillowcase Dash for a chance to win cash awards for making pillowcases. Watch your email for sign up information.

Be sure your donation counts! Following your pillowcase-making events, please visit AllPeopleQuilt.com/donate and add the number of pillowcases your shop donated. If you are hosting multiple events throughout the year, please designate someone in your shop to update the counter with your pillowcase donations on a weekly or monthly basis. *NEW: The counter is now just a simple submission form, no need to log in! You can always email us your count as well and we'll get it added to the counter. Email us at millionpillowcases@meredith.com.

We encourage you to familiarize yourself with the contents of this challenge packet, then begin making pillowcases right away—so you can make the biggest difference in your community! If you have questions not answered here, email us at millionpillowcases@meredith.com.

Joining *American Patchwork & Quilting* in support of the 1 Million Pillowcase Challenge are 2020 sponsors: AccuQuilt, Baby Lock, Handi Quilter, Moda Fabrics, Northcott, and Riley Blake Designs.

We know quilting changes everything. We're counting on you to help us show the world!

Sincerely,

The 1 Million Pillowcase Challenge Team

tools for success

BEGIN NOW

Hold an internal meeting to inform staff and build excitement.

CHOOSE A CHARITY

If you don't already have a charity in mind, ask your employees or customers for suggestions. Research local charities to find those that accept pillowcase donations. You'll find a suggested charity list on AllPeopleQuilt.com/millionpillowcases that provides a great starting point. You may choose one charity or donate to multiple charities throughout the year. Select a point person in your shop to deliver the pillowcases to the charity. Don't forget to take photos and share your story with us by emailing millionpillowcases@meredith.com.

DETERMINE A SHOP TIMELINE

Decide how often you will host pillowcase events. It's up to you! Remember, this can be an opportunity to teach people to sew. Invite your regular customers to bring a guest to one of your events so the guests can join the challenge. Host special events for school groups, Girl Scout troops, women's organizations, etc. to get even more people involved and into your store! In addition, have a collection area in your shop where customers can drop off pillowcases for your cause as well.

PROMOTE IN STORE

Create pillowcase kits that will allow customers (especially beginners) to easily participate in your event or to complete pillowcases at home. Create a display in your store or classroom to promote your event(s). For example, clip pillowcases to a clothesline, set up a bed display, or stack them high so people can see how many your shop has created! Hang posters and put up table tents.

GET LOCAL MEDIA INVOLVED

Promote your events in your newsletters and in your store and create excitement in your community by submitting the press release and media pitch letters. Search local media websites for contact names, e-mails, addresses, and/or phone numbers.

SOCIAL MEDIA

Use social media to promote your events. Facebook, Twitter, and a shop blog are great ways to let your customers know about your involvement with the 1 Million Pillowcase Challenge. If your shop has a blog, visit our website for blog buttons and a blog release with suggested text.

DOWNLOAD PATTERNS

Visit AllPeopleQuilt.com/millionpillowcases for patterns. Fabric companies are offering featured fabrics that will be promoted in the national ads and on the website. New pattern downloads and featured fabric options will be available quarterly.

DURING YOUR EVENT(S)

If you have beginners at your event, be sure to have employees or volunteers available to help with questions. Don't forget to take photos! Display the photos on a board in your store and send them to millionpillowcases@meredith.com to share your pillowcase story. Your story could be featured in an upcoming ad or social media post!

UPDATE THE COUNTER

Appoint one person to update the counter at AllPeopleQuilt.com/donate each time you complete a donation. Let your customers know how the counter update will be handled to avoid duplication. *NEW: no need to log in, simply submit a simple form and we'll get your number added to the count. Keep a running tally near your register or donation spot so your customers can track progress. Let's show the world how generous quilters can be – 1 Million Pillowcases!
